

# Grip It

## 360° Micro Ratchet Spline Socket Set

Grip It is a precision engineered socket set designed to fit most fastenings on the market today. Grip It can be used on both metric and SAE imperial sizes therefore excellent for the industrial maintenance environment where both sizes may be present. Grip It also works on E-Torx, 12pt & Spline fasteners.

### Features

- ▶ 360° 3/8" micro ratchet with crank handle extension
- ▶ 18 x spline sockets that fit Metric, Imperial, E-Torx, 12pt SAE/Metric, Spline and part worn fasteners
- ▶ Manufactured from Chrome Vanadium
- ▶ Durable plastic blow-mold carry-case

### Benefits

- ▶ 360° micro ratchet for tight spaces
- ▶ Crank handle for speed
- ▶ Can be used on metric and imperial
- ▶ Works on partly rounded or worn fasteners
- ▶ Tough, durable and easy to use

### Applications

Use for speedy loosening and tightening of fasteners

### Contents

- ▶ 360° 3/8" micro ratchet
- ▶ 75mm & 150mm extension bars
- ▶ Knuckle adapter
- ▶ 18 Spline sockets from 6mm (1/4") to 24mm (15/16")
