

The Holo

A revolutionary 12 piece Go-Thru-Socket Set with a 1/2 and 3/8" drive

Benefits:

- ▶ Lifetime guarantee
- ▶ Revolutionary stepless ratchet
- ▶ Two kits – one 8-19mm and the other 14-26 mm
- ▶ Hollow – allowing bolts to pass right through the socket
- ▶ High quality, heat-treated chrome vanadium steel
- ▶ Can also be used with standard socket sets too
- ▶ Silent ratchet

Applications:

- ▶ Anywhere you might have a protruding bolt or where traditional sockets won't go on and there is no room to move a ring spanner or wrench
- ▶ Ideal for workshops, tool kits, maintenance departments, mobile fitters and fabricators or contractors
